**ZS markers** - in the established **MultiCard**-format - were specially developed for the Z series. They have a large printing area. The hinged mechanism even allows access to cross-connectors without having to dismount the markers. Fast fitting is guaranteed by the fact that the single tags are clipped on in strips. The single tags are also easy to separate.

- Hinged marker area
- Can be fitted in strips or singly
- Markers in proven multicard format
